

# 2-DAY MIXED MEDIA WORKSHOP

Join us for a fun weekend of Mixed Media creations taught by Robyn Smith from Painting With Friends! In this 2-day workshop you will complete 3 projects using a variety of techniques – which can then be incorporated into your own art journaling, scrapbooking, card-making, collage, mixed media art and wood projects! Color schemes can be customized to fit your home décor. All supplies are provided unless noted (see project 3). Taught as separate classes, these 3 projects would normally cost \$135.
