Stock #	Variety	Type	Days	Tomato Description - Price \$6.00 includes tax. CASH on delivery
1	Early Blue Ribbon	Hyb/I	55	Earlier & bigger than Early Girl. 6-8 oz deep red fruit.
2	Dixie Red	Hyb/I	70	Heat-tolerant variety. Large, 10-oz. fruits are uniform, smooth, round and bright red, with a tart flavor that's perfect for slicing, salads or canning.
3	Big Beef	Hyb/I	73	Best combination of old-fashioned tomato flavor, modern-day growth habit and cutting-edge disease resistance. Uniform, large, globe-shaped fruits average 10- 12 ounces, with smooth texture and firm flesh. Superb disease resistance and tidy growth habit.
4	Country Taste	Hyb/I	70	The true tomato flavor of an heirloom with the controlled growth and disease resistance of a hybrid. Big, one lb. fruits are smooth, round and ribbed with excellent shelf life.
5	Tribute	Hyb/D	74	High-yielding vigorous plants produce huge crops of dark red, flavorful, large, 8 to 10-oz. fruits with a smooth round shape.
6	Buffalosteak	Hyb/I	72	A recent European bred version of the old 'Beefsteak' featuring huge, 12 to 18-oz., slightly ribbed fruits that are deep red with the classic beefsteak shape. Old-fashioned tomato flavor from meaty, thick-fleshed fruits that have very few seeds. Productive, prolonged harvests from highly disease-resistant plants.
7	Giant Belgium	Hyb/I	86	Fruits average two lbs. Sweet flavor is so intense that some gardeners actually use it for making wine! Meaty, dark reddish-pink fruits have smooth blossom ends.
8	Mountain Fresh Plus	Hyb/D	79	Uniform ripening, good color, crack resistance, improved flavor and huge fruit size (over 3 1/2-in. across and weighing 8-10 oz.). Sweet yet tangy flavor.
9	Experimental SV7846TH	Hyb/I	74	High yields of bright red, perfectly round, 6 to 8-oz. fruits with old-timey flavor and high yields.
10	Park's Whopper	Hyb/I	65	Yields 12-oz. fruits five days earlier than the original, with large, 4-inch, full-flavored, uniform fruits with improved disease resistance for better yields.
11	Chef's Choice Red	Hyb/I	82	An unusually good balance of sweet yet tangy taste to yield that fabulous, old-fashioned tomato flavor! Round, smooth, 6 to 7-in., 8-oz., firm fruits
12	Incas	Hyb/D	69	Early red paste type. Bright red, 3-oz., meaty, plum-shaped, thin-skinned fruits that are perfect for peeling. Ideal for pastes, sauces or canning.
13	Martino's Roma	Heir/D	75	Fantastic yields of richly flavorful plum-shaped tomatoes, on compact plants that require very little staking! Resistant to early blight. The paste-type fruit weighs in at 2-3 ounces, dry-fleshed and very meaty with few seeds. Great for sauces, salsas and pastes.

14	Amish Paste	Heir/I	80	Giant, blocky, Roma type tomatoes have delicious red flesh that is perfect for paste and canning
15	San Marzano Lungo #2	Heir/I	75	This is a newer selection of this famous Italian cooking tomato. Long, cylindrical fruit is filled with thick, dry flesh and few seeds. This heavy producing variety is a standard for many Italian farmers and chefs.
16	La Roma III	Hyb/D	76	The hybrid of Italian classic Roma, with better uniformity and vigor. High yields of 5 to 8-oz., bright red fruits. Superb disease resistance. Ideal for pastes and sauces.
17	Vintage Wine	Heir/I	70	Beauty and subtle sweet flavor marry perfectly to make Vintage Wine tomato. The large fruit is an elegant pastel pink with gold striping on the skin. A perfect blend of gourmet flavor and good keeping quality makes this potato leaf variety a top for home gardeners and market farmers alike!
18	Carbon	Heir/I	90	The fruit is smooth, large, and beautiful, being one of the darkest and prettiest of the purple types. They seem to have an extra dose of the complex flavor that makes dark tomatoes famous.
19	True Black Brandywine	Heir/I	80	Great-tasting tomato that is extra large in size and full of the deep, earthy and sweet flavor that has made blackish-purple tomatoes so popular. Yield is heavy on vigorous, potato leaf plants. Superior for salsa and cooking.
20	Black Beauty	Heir/I	90	A dark, meaty, very rich-fleshed tomato with extreme anthocyanin expression (same antioxidant in blueberries and blackberries). So dark that some tomatoes turn solid blue-black on the skin. Deep red flesh is among the best tasting of all tomatoes. Rich, smooth and savory with earthy tones. Hangs well on the vine and stores very well, and the flavor improves with room-temperature storage.
21	Chef's Choice Black	Hyb/I	75	Rich, 8 to 10-oz. fruits of blackish dark-red become the newest member of the trendy 'black tomato' craze. Refreshing touch of saltiness.
22	Purple Boy	Hyb/I	80	Deep violet, even darker than heirloom favorite 'Cherokee Purple', but with a great hybrid disease package and an intense rich flavor possessed only by the grand heirlooms. Flavor is strongly tangy and juicy.
23	Dad's Sunset	Heir/I	75	The perfect orange tomato! Large 10-oz. fruit is very smooth, uniform, and a beautiful, glowing orange in color. It keeps very well. The favorite of all the tomatoes I grew last year.
24	Dr. Wyche's Yellow	Heir/I	80	The 1-lb fruit is solid and smooth; the color is a glowing tangerine-orange that always stands out in the kitchen or on the vine. One of the best heirloom orange types for market, with its smooth texture and tropical, sweet taste. Heavy yields.

25	Pinapple	Heir/I	80	Very large, up to 2 lbs each. The yellow fruit has red marbling through the flesh and is one of the most beautiful tomatoes we sell. The flavor is very sweet and fruity; good yields!
26	Orange Strawberry	Heir/I	80	An intensely colored orange, oxheart fruit up tp 10oz. Meaty and almost seedless.
27	Chef's Choice Orange	Hyb/I	75	Bright, glowing orange skin on big, beefsteak-size, 5 to 6-in., 9 to 1oz. fruits with old-timey flavor! Chefs will love its neon orange color, which is retained whether sliced into salads or cooked into sauces. Vigorous, prolific plants, tomatoes are crack-free.
28	Tumbling Tom Yellow Cherry	Hyb/D	70	Perfect for container. Only 24" high. Heavy yeild of 1-2" fruit.
29	Chocolate Cherry	Hyb/I	70	Unusually colored, deep wine-red fruits boast a complex flavor profile in 1-in. round cherries. Plant produces trusses of 8 fruits that don't crack and can be harvested early and allowed to ripen inside without sacrificing quality.

Heir = Heirloom variety is at least 50 years old or more

Hyb = Hybrid are newer varieties

I = Indeterminate growth which is tall and vining. These tomatoes need support & will benefit from pruning late July to stop growth and ripen more fruit.

D =

Determinate growth or bush style plant. These stay more compact and fruit over a 3-4 week period. Good for small gardens and containers.

	Variety		Days	Peppers : Small plants \$3.00
41	King of the North	Sweet	68	Open-pollinated variety for the cooler temperatures and shorter seasons of Northern climates. Thick-walled, blocky, huge, 6 in. by 4 in. fruits mature from deep green to bright red and are great for stuffing.
42	Early Sensation	Sweet	69	Earliest of the golden-yellow bells, featuring very large, 4 1/2 in. by 4-in., blocky, thick-walled fruits with superb sweetness. Maturing from green to gold, fruits are perfect for stuffing.
43	Goliath Griller	Mild heat	70	The perfect amount of heat for a hot pepper! Mild enough to eat raw if you want just a bit of heat, but robust enough to be the ideal variety to roast or grill. Smooth fruits measure about 1½-in. wide by 5 to 7-in. long and mature green to dark red.
44	Zulu	Sweet	Heirlo	Eggplant black' colored bell pepper is crisp with thin flesh. It has an amazing piquant aftertaste of spicy zip minus the nip of a hot peppe. Zulu pepper would be a great addition to salsa and salads. A beautiful pepper from Poland.

45	Chinese Giant	Sweet	90	Chinese heirloom with huge, 6 in. by 4 1/2 in., thick-walled, tapered fruits that ripen from green to bright red. Sturdy, compact plants.
46	Mosquetero	Med Heat	85	Ancho or poblano type is extra-large (6 in. by 3 in.) and performs well even under cool conditions. Prolific production from big healthy plants of smooth, dark green, glossy, two-lobed fruits that taper slightly to a flat point. Medium heat measuring only 250 to 1,500 Scoville units. Ideal for stuffing into chiles rellenos or for frying.
47	Anaheim	Med Heat	Heirloo	This mammoth roasting pepper originated from a line of chili peppers developed in the 1910s in New Mexico. This more mild version between 500-2,500 Scovilles units and is delectable for frying and roasting. Productive plants covered in large pods.
49	Brown Jalapeno	Med Heat	Heirloo	Wildly productive plants are smothered in leviathan-sized chocolate colored pods. These smoky and flavorful peppers average 4-6 inches and length, ideal for stuffing and roasting. High yields, fabulous sweet flavor and vigorous growth habit.
50	Craig's Grande Jalapeno	Hot	Heirloo	A big, fat jalapeño that is perfect for making lots of salsa. Perfect for anyone who loves jalapeños. It has thick, flavorful, hot flesh.
51	Serrano Chili	HOT HOT	85	Quite hot – readily warms up sauces, salsas, pickles and hot pepper vinegar. Medium-walled, slim, club-shaped, 2-in. by 1/2-in. fruits mature green to red on 30-in. plants.
53	Habanero	HOT HOT HOT		Traditional orange hot pepper.
